**Re: SONIC SUPER SPECIAL #7
(SONIC/IMAGE COMICS CROSSOVER):**

Dear Sonic Crew,

Once again, you guys at Archie Comics put together another fabulous comic. SONIC SUPER SPECIAL #7 was great. I was thrilled to see Sonic and the Freedom Fighters on Earth for once. Also, the characters from Image Comics made a big special appearance as we see. The artwork, script, ink and etc. was all great. I am also intrigued to hear that Particle is going to have her own series. The story was really good, and I hope to see another comic like that soon.

Jordan Core
jtc_1997@yahoo.com

Glad you enjoyed it, Jordan. It was great fun putting that project together.

Dear J.E. Gabrie,

Hi! I wanted to tell you what a KICK I got out of the crossover in SONIC SUPER SPECIAL #7. I enjoy Sonic and Tails immensely, but SONIC SUPER SPECIAL #7 was by far the MOST enjoyable. The "X-Files" spoof tie-in was hilarious! This issue was definitely way past cool! Keep up the incredible, excellent work!

Don "Tex" Forworth
dforworth@bcbm.com

Well, Don, what did you think of the two crossovers in

this issue?

**Re: SONIC SUPER SPECIAL #8
(ZONE WARS PRELUDE):**

Dear Sonic,

I just got SONIC SUPER SPECIAL #8 and it was cool! I am both a Sonic and Sailor Moon fan, so you can imagine what my reaction to this one was. Is Sally Moon ever going to show up again?

"Cerulean"
nights3021@hotmail.com

Only time (and a couple of hundred requests from the fans) will tell.

Dear Sonic,

Hey, I just want to tell you that the SONIC SUPER SPECIAL #8 is one of the best Sonic Specials ever! My favorite story is the Zone Wars. It was so weird, cause I watch Sailor Moon! I just want to know just one thing, WHAT BREED OF DOG IS MUTTSKI? I think he's cute! Well, I have to go now, so keep up the "Way past cool" work!

Salty Wolf
SaltyWolf@aol.com

Hey Sonic People,
I LOVED THE SONIC SUPER SPECIAL #8! "Zone Wars: Prelude" was my favorite

story. I love the cartoon Sailor Moon, and was excited when I found out you were doing a twist with the story. Amy Rose was really cute. I hope you make a longer version story of Sally Moon in the future. I would like to see other versions of the Sonic characters. I also enjoyed the story "Ghost-Busted." It was great to see the comic version of the cartoon episode. Thanks for making such a great comic.

Tana Lewis
t.j.lewis@juno.com

Thanks to both of you, Tana and Salty Wolf, for your letters. Glad to know that Sailor Moon fans such as yourselves enjoyed our homage. As far as Salty's question, Muttski is a hound.

Dear Editor,

I have been a true Sonic fan since the issue when Sonic and Knuckles first met. SONIC SUPER SPECIAL #8 was, fittingly, SUPER!

Jeremy Keil
default@clinton.k12.ok.us

Well, that's all for now. Thanks to everyone who wrote in so until next issue...

Keep it real!

Cover by Patrick Spaziantie and Harvey Mercado/ocasio. Colors and separations by Josh D. Ray.
